Carrot Cake Murder (Hannah Swensen series Book 10) By Joanne Fluke

Summertime has finally arrived in Lake Eden, Minnesota, and Hannah Swensen, owner of The Cookie Jar bakery, is looking forward to warm, lazy days, eating ice cream, and sharing picnics with friends. But when a family reunion takes a deadly turn, it's up to Hannah to find a killer. . .

Between baking up a storm for The Cookie Jar and unraveling the mystery of her cat Moishe's recent strange behavior, Hannah Swensen has a lot on her plate. But she'll always make time for her business partner, Lisa, who's in the midst of preparing for a big family reunion. Everyone is delighted when Lisa's long-lost uncle makes a surprise appearance. No one has heard from Gus in twenty-five years--and his arrival has everyone buzzing with excitement.

Uncle Gus is immediately the hit of the reunion, telling tales of his great success and flashing money for all to see. He's almost as popular as Hannah's scrumptious carrot cake, which is also Gus's favorite dessert. But the next morning, as the whole family gathers for the group photo, one person is missing. Hannah offers to track down Uncle Gus, but her search leads to a shocking find. Over by the bar at the pavilion, she spots two slices of her infamous carrot cake, frosting-side down on the floor--and Gus's corpse with an ice pick jutting out of his chest!

A little snooping reveals that not everyone was celebrating Gus's return. And when Hannah unearths more secrets from Gus's past, she discovers even more people with an axe to grind. Now Hannah's got to sift through a long list of suspects to find a killer--even if it could mean a recipe for her own demise. . .

Includes 12 original dessert recipes for you to try!

Editorial Review

From Publishers Weekly

Filled with juicy scandal, delightfully eccentric characters and 21 tempting recipes from Cream Cheese Frosting to Lemon Fluff Jell-O, bestseller Fluke's 10th Hannah Swenson mystery (after 2007's *Key Lime Pie Murder*) centers on a family reunion that turns deadly. Hannah's friend Marge Beeseman is thrilled when her brother, Gus Klein, who disappeared from Lake Eden, Minn., more than 30 years earlier, unexpectedly arrives. At the big family party, everyone wonders how the elegant, well-dressed Gus heard about the reunion and why he came back. When Gus fails to show up for the group photo the next morning, Hannah finds his body on a pavilion floor—with ants crawling around pieces of her carrot cake nearby. Hannah's malcontented cat, Moishe, and flickers of romance with her devoted dentist and the no-less attentive local police chief add spice to the subsequent murder investigation. The ending will leave cozy fans gasping for breath. (Mar.)

Daily life's many preoccupations engage Hannah Swensen's attention. And life in Lake Eden, Minnesota, fairly brims with church activities, cooking, family gatherings, and the demands of a mischievous cat. Moreover, Hannah runs a bakery, and her carrot cake is famed across the region. A piece of that cake shows up one day beside the corpse of her business partner's uncle Gus. It's up to Hannah to find out who did him in, and her sleuthing techniques are tested to the limit as she discovers many potential killers who each had good reason to want Gus out of the way. Recipes appear throughout the text, tied to plot developments. There's even a culinary mystery: What's the secret sauce on those tasty salmon cakes? The popularity of Fluke's earlier food-focused mysteries will undoubtedly raise demand for this newest title even beyond its expected audience in the Upper Midwest. --Mark Knoblauch

Review

"Fluke has the recipe for appetizing mysteries."

"A superior cozy sure to leave readers satisfied...but hungry for more."

"For an enjoyable cozy mystery and lots of new recipes, readers need look no further."

"Mm, mm, Fluke's fans can't wait for the next confection in the series to be served up."
