A nunwho came very close to breaking her vows when she accidentally ingested a largeamount of bonding fruit, Becca is torn between the Twin Kindred who helped herget through the overwhelming sexual need the bonding fruit induced. But Truthand Far aren't like their Twin Kindred counterparts; they were separated atbirth and have just found one another. They don't get along, at all, and thisputs Becca in the unenviable position of feeling she has to choose betweenthem. But as disaster strikes on the Kindred Mother Ship, it's up to Becca andher twin suitors to form a proper bond and save the Kindred race. But firstTruth and Far have to bond as Twin Kindred, and that looks like an impossibletask. Will Becca be strong enough to be the bridge that saves a race?

Thisseries is highly complicated and you must read the previous books to have even clue as to who everyone is and what is going on. The stories all interconnectand are dependent on one another for details vital to the story being told. This picks up where Kindred Brides Chained ends, and the spurned suitor of thatstory is wreaking havoc.

Allthree main characters have landmines of emotion in their respective pasts andit takes an intergalactic matchmaker to help lead the way to these woundedsoul's salvation. Truth is the most resistant of the trio, having been raisedon a planet that finds threesomes abhorrent as well as punishable by death. Farwas raised among the Kindred but always felt left out as his twin, his otherhalf, was missing. Becca chose a life of celibacy as punishment for a believedsin that resulted in a loved one's demise. A lot to work through without theadded pressure of saving all Kindred kind.
