Encyclopedia of Behavior Modification and Cognitive Behavior Therapy: Volume I: Adult Clinical Applications Volume II: Child Clinical Applications Volume III: Educational Applications (v. 3) From SAGE Publications, Inc

The three-volume **Encyclopedia of Behavior Modification and Cognitive Behavior Therapy** provides a thorough examination of the components of behavior modification, behavior therapy, cognitive behavior therapy, and applied behavior analysis for both child and adult populations in a variety of settings. Although the focus is on technical applications, entries also provide the historical context in which behavior therapists have worked, including research issues and strategies. Entries on assessment, ethical concerns, theoretical differences, and the unique contributions of key figures in the movement (including B. F. Skinner, Joseph Wolpe, Aaron T. Beck, and many others) are also included. No other reference source provides such comprehensive treatment of behavior modification?history, biography, theory, and application.

Editorial Review

Review

"A welcome complement to other reference sources that cover clinical psychology and therapeutic applications, this encyclopedia is broader in scope. . . . It has a volume each on adult and child clinical applications and a third on educational applications, the latter particularly valuable for classroom and school contexts. . . . This source belongs in all libraries offering majors and graduate degrees in clinical social work, psychology, medicine, and allied health fields. . . . Highly recommended." (J. Gelfand *CHOICE* 2005-07-01)

About the Author

Michel Hersen (Ph.D., ABPP, State University of New York at Buffalo, 1966) is Professor and Dean of the School of Professional Psychology at Pacific University. He completed his post-doctoral training at the West Haven VA (Yale University School of Medicine Program). He is Past President of the Association for Advancement of Behavior Therapy. He has coauthored and co-edited 146 books and has published 225 scientific journal articles. He is co-editor of several psychological journals, including *Behavior Modification*, *Aggression & Violent Behavior: A Review Journal*, *Clinical Psychology Review*, and *Journal of Family Violence*. He is Editor-in-Chief of the *Journal of Anxiety Disorders* and of *Clinical Case Studies*, which is totally devoted to description of clients and patients treated with psychotherapy. He is Editor-in-Chief of the 4-volume work, *Comprehensive Handbook of Psychological Assessment*. He has been the recipient of numerous grants from the National Institute of Mental Health, the Department of Education, the National Institute of Disabilities and Rehabilitation Research, and the March of Dimes Birth Defects Foundation. He is a Diplomat of the American Board of Professional Psychology, Fellow of the American Psychological Association, Distinguished Practitioner and Member of the National Academy of Practice in Psychology, and recipient of the Distinguished Career Achievement Award in 1996 from the American Board of Medical Psychotherapists and Psychodiagnosticians. Finally, at one point in his career, he was in full-time private practice and on several occasions he has had part-time private practices.

Users Review
