I Really Want to Change... So, Help Me God By James MacDonald

Are you truly serious about allowing the power of God to transform your life? If you are, then prepare yourself for an incredible, life-changing experience. Change is difficult, but it's made even harder without practical guidance on how to do it. You will find that guidance in *Lord, Change Me*. James MacDonald is serious about the business of change according to God's Word. While many tell us that we should change and be more like Christ, MacDonald actually teaches us how to do it. *Lord, Change Me* is split into three sections as the model for approaching change:

- The Preparation for Change: choosing the right method and partnering with God to select the areas in need of change in your life.
- The Process of Change: exploring the biblical method of saying 'no' to sinful patterns and 'yes' to the things God desires for you.
- The Power to Change: explaining how to experience the power of God personally and continuously.

This is a book about a different you. There are no warm fuzzies within these pages. Rather, MacDonald is a direct, to-the-point pastor with a heart for seeing lives completely transformed by the truth of the Gospel. If you're serious about changing your life, this book is just what you need.

Editorial Review

Review

All of us have nagging aspects of our lives that call to our consciences for change. James MacDonald provides a clear biblical process to turn the nagging voice within to rejoicing as your life changes for His glory. -- *Joseph Stowell- President, Moody Bible Institute*

How refreshing to read a book both practical and powerful about change. James has dusted off bibliocentric principles and with a World Wide Web relevance made them transferable for today. After working for twenty-five years in the heart of New York City in a holistic ministry that sees change take place daily, I highly recommend this book as manual for transformation. -- *Tom Mahairas- Pastor, Manhattan Bible Church*

James MacDonald is the pastor of a thriving, growing church on the outskirts of Chicago. He is a dynamic new voice with a biblically based message that is much needed in the church today. This book gets the heart of what needs to take place if we are going to really see genuine and lasting change in our lives. I highly recommend both James's ministry and his powerful new book to you. -- *Greg Laurie- Pastor, Harvest Christian Fellowship*

This is the ideal book for people who are serious about seeing lasting changes take place in their character and conduct. The author is both compassionate and confrontational- no kid gloves! You either read it through and honestly put it into practice, or you will invent another excuse for staying as you are. I hope it's the first option. You won't regret it. -- *Warren W. Wiersbe- Author and Conference Speaker*

Though the church seems increasingly confused about how change occurs in the life of a believer, careful study of the Word of God once again brings the issue of sanctification into clear focus. James MacDonald takes a very practical look at real change through the lens of truth. -- *Dr. John MacArthur- Pastor, Grace Community Church*

From the Publisher

Do you long to be different than you are? Transformed in your character, choices, and conduct? Are you weary of self-help methods that focus too much on human power and not enough on God's power? If so, then *I Really Want to Change... So, Help Me God* is the book for you.

Change is never easy. Sometimes it's downright painful. But because we are called as believers in Christ to holiness, we simply can't stay as we are.

This is a book about how to achieve a different you. It includes study questions, exercises, and prayers that lead to change. If you're serious about allowing God to transform your life, here's the practical and biblical guidance necessary to begin this life-changing journey.

From the Author

I have written this book to actually help people change. It's for people who desperately want to change, a practical "How-to" manual about you changing - not others.

When I began in pastoral ministry almost 15 years ago, I was out to change the world, but quickly and painfully learned that God was more interested in changing me. The truths in this book are stained with my

own tears of trying and failing and trying again to be the man God wants me to be. So I have written this with the urgency of a loving heart for you and your situation.

There are three sections in his book - the preparation for change, the process of change and the power to change, which will guide you step by step in allowing the Holy Spirit to transform your life. Also included are helpful tools to assist you in the journey toward change such as study questions, exercises and single sentence chapter summaries.

When you finish it, drop me a note. I love to hear stories of transformed lives. May this book be used by God to accelerate His agenda for transformation in you.
