Editorial Review

Review

"...my favorite drinks book of the year is *The Bar Book: Elements of Cocktail Technique*. Mr. Morgenthaler, a well-regarded Portland, Ore.-based bartender and blogger, notes that a great cocktail requires a combination of three elements: recipe, ingredient and technique. He admits that the first two have been well-plumbed in existing books, then lasers in on the third. Just learning how to make his ingenious but simple "MacGyver Centrifuge" with cheesecloth and a salad spinner to filter fruit juices is nearly worth the cover price." - Wayne Curtis, *The Wall Street Journal*

"Jeffrey Morgenthaler is our kind of guy; an obsessive practitioner of lost arts and an inventor in his own right." - from *Playboy*

"An accessible but sophisticated primer that could render the rest of the cocktail library obsolete." - *Library Journal*
