The Owner's Manual for the Brains of Profoundly Creative People: *The Leonardo Trait*

The third edition of the powerful book that gave creative people permission to be exactly who, what and how they are.

it's Time to Build the Connection Between Your Creative Mind and Success

Is *The Leonardo Trait* for Creative People Right For You?

Do I have to Be "Profoundly Creative" to Get Something Out of This Book?

Yes but no. See, most profoundly creative people don't *feel* profoundly creative. In fact, most of us feel like freaks most of the time.

How Can I Know If I'll "Get" *The Leonardo Trait*?

If you feel left out because of your creativity, if you feel like you don't fit in the world the way you are, *The Leonardo Trait* was written for you. If you're constantly being told to "settle on one thing," informed that you should "finish what you start," and fed that biggest of lies, "Jack of All Trades, Master of None," *The Leonardo Trait* is for you. If you are ready to embrace your creative nature, focus on all your interests in a way that works for you, and become a Jack of all Trades and master of *all*, *The Leonardo Trait* is for you. If you're ready to maximize your creativity, and your life, to create a life of abundance, to become more of who you were meant to be, *The Leonardo Trait* is for you.

What Will *The Leonardo Trait for Creative People* Do For You?

The Leonardo Trait introduces, expands on and coaches readers through living the idea that profound creativity, multiple passions, and saying yes to everything and to life are incredibly normal and not an aberration. While not everyone shares this way of thinking and living, many people do—and *The Leonardo Trait* is a user manual for these people and the sometimes frazzled and confused "Straight Liners" who love them. *The Leonardo Trait* is a book for creative people who feel that their creativity is not just unusual, but bizarre, or even sometimes a little crazy. These are the people who are embarrassed by their brains at times—and there are far more of these people than "Straight Liners" realize. We recognize each other, and we're always relieved to know we're not alone. That's the purpose of *The Leonardo Trait*, in fact—just to say, "You're not alone and there's nothing wrong with you."

Why Read *The Leonardo Trait for Creative People*?

If your creative spirit sometimes feels like a trap, and you think other folks alternate between thinking you're nuts and thinking you're brilliant, you'll find sympathy, explanations and a bit of gratuitous nonsense in *The Leonardo Trait*.

How Can *The Leonardo Trait* Change Your Life?

Well, to be very precise, no book can change your life. Only you can change your life. *The Leonardo Trait*, however, can give you the information, encouragement, motivation and thinking prompts you need to change your life.

I Guarantee You'll Love *The Leonardo Trait*

I want you to love this book, use it and change your life. I hope this is the right book, at the right time, for you. But it might not be. I understand. If you don't love *The Leonardo Trait*, you're welcome to return it to Amazon for a full refund. I want you to know you can try *The Leonardo Trait* without risk. **Act Now!
