What Every Man Wants in a Woman; What Every Woman Wants in a Man

By Diana Hagee, John Hagee

Good communication is essential in a good marriage. In this unique book, best-selling author and pastor John Hagee and his wife, Diana, present a husband's and wife's point of view on communicating more effectively.

Designed as two books in one, John's *What Every Man Wants in a Woman* and Diana's *What Every Woman Wants in a Man* will bless couples married for years, young and newly married couples, and even singles, who are seeking to gain a better understanding of their partner or improve their marriage in some way.

Written in a easy-to-read conversational style, this book, which features anecdotes and jokes, as well as the latest statistics on marriages, will appeal to both men and women equally.

"Remember this: your marriage can be a better marriage, or it can be a bitter marriage. The choice is entirely up to you. Do not allow your past to control your future. You will never conquer, or change, what you refuse to confront." - John Hagee

"What women want in a man may not be what God wants them to have. What women want in a man is not as easily received as we may think. We have much to do with what we want from others." - Diana Hagee
