White Mischief: The Murder of Lord Erroll By James Fox

The riveting true story of decadence, deception, and murder among British aristocrats in colonial Kenya

In 1941, with London burning in the Blitz, a group of hedonistic English nobles partied shamelessly in Kenya. Far removed from falling bombs, the wealthy elites of “Happy Valley” indulged in morphine, alcohol, and unrestricted sex, often with their friends’ spouses. But the party turned sinister in the early hours of a January morning for Josslyn Hay, Lord Erroll, who had been enjoying the favors of the beautiful young wife of a middle-aged neighbor. Hay was found dead, a bullet in his brain. The murder shocked the close-knit community of wealthy expatriates in Nairobi and shined a harsh light on their louche lifestyle.

Three decades later, author James Fox researched the slaying of Lord Erroll, an unsolved crime still sheathed in a thick cloud of rumor and innuendo. What he discovered was both unsettling and luridly compelling. *White Mischief* is a spellbinding true-crime classic, a tale of privileged excess and the wages of sin, and an account of one writer’s determined effort to crack a cold and craven killing.

Editorial Review

Review

Just before 3am on January 24th, 1941, when Britain was preoccupied with surviving the Blitz, the body of Josslyn Hay, Earl of Erroll, was discovered lying on the floor of his Buick, at a road intersection some miles outside Nairobi, with a bullet in his head. A leading figure in Kenya's colonial community, the Earl had recently been appointed Military Secretary, but he was primarily a seducer of other men's wives. Sir Henry Delves Broughton, whose wife was Erroll's current conquest, had an obvious motive for the murder, but no one was ever convicted and the question of who killed him became a classic mystery, a scandal and cause celebre. Among those who became fascinated with the Erroll case was Cyril Connolly who joined up with James Fox for a major investigation of the case in 1969 for the Sunday Times magazine. After his death James Fox inherited the obsession and a commitment to continue in pursuit of the story both in England and Kenya in the late 1970s. One day, on a veranda overlooking the Indian Ocean, Fox came across a piece of evidence that seemed to bring all the fragments and pieces together and convinced him that he saw a complete picture...

About the Author

James Fox was born in Washington DC in 1945 and educated in England. He worked as a journalist in Africa and then in England, for the Sunday Times and the Observer, and has written for numerous other publications. His other books include The Langhorne Sisters and co-authorship of Life, Keith Richards' bestselling autobiography. White Mischief was made into a movie starring Greta Scacchi and Charles Dance.

Users Review

From reader reviews:
