Lil's and Jay lived their very own fairytale biker romance. He was her first love, her only love. She was what he needed, what he wanted.

Insecurities, fear and misconceptions lead Lil's to make a heartbreaking decision to abandon that life and love behind, before it consumes and destroys her as it did her mother years earlier.

But.. moving on isn't so easy when you are deeply connected to your past.

When Lil's finds herself in a whirlwind of danger her knight in shining armor, er..., her badass biker on a Harley bails her out. But at what cost?
