### Four Views on Hell: Second Edition (Counterpoints: Bible and Theology)

From Zondervan

Recent years have seen much controversy regarding hell: Do we go to heaven or hell when we die? Or do we cease to exist? Are believers and unbelievers ultimately saved in the end?

*Four Views on Hell* highlights why the church still needs to wrestle with the doctrine of hell.

In the familiar counterpoints format, four leading scholars introduce us to the current views on eternal judgment, with particular attention being given to the new voices that have entered the debate.

Contributors and views include:

Denny Burk: Eternal Conscious Torment

John Stackhouse: Annihilationism (Conditional Immortality)

Robin Parry: Universalism (Ultimate Reconciliation)

Jerry Walls: Purgatory

Preston Sprinkle concludes the discussion by evaluating each view, noting significant points of exchange between the essayists. The interactive nature of the volume allows the reader to reflect on the strengths and weaknesses of each view and come to an informed conclusion.

**BONUS CONTENT:** Includes entire first edition of *Four Views on Hell* to help readers grasp the history of the discussion and how it has developed over the last twenty years.
