

Heart of Glass: A Memoir

By Wendy Lawless

Heart of Glass: A Memoir By Wendy Lawless

In this edgy and romantic follow-up to her *New York Times* bestselling debut memoir, *Chanel Bonfire*, Wendy Lawless chronicles her misguided twenties—a darkly funny story of a girl without a roadmap for life who flees her disastrous past to find herself in the gritty heart of 1980s New York City.

Before downtown Manhattan was scrubbed clean, gentrified and overrun with designer boutiques and trendy eateries and bars, it was the center of a burgeoning art scene—both exciting and dangerous. Running from the shipwreck of her glamorous and unstable childhood with a volatile mother, Wendy Lawless landed in the center of it all. With an open heart and a thrift store wardrobe, Wendy navigated this demi-monde of jaded punk rockers, desperate actors, pulsing parties, and unexpected run-ins with her own past as she made every mistake of youth, looked for love in all the wrong places, and eventually learned how to grow up on her own.

With the same “biting humor” (*People*) that made her “powerful” (*USA TODAY*) and “illuminating and inspiring” (*Reader’s Digest*) *New York Times* bestseller *Chanel Bonfire* so captivating, Wendy turns her brutally honest and often hilarious spotlight on herself, recounting her tumultuous and giddy twenties trying to make it in the creative underbelly of New York City, all the while searching for love, a paying job, and occasionally, a free meal.

Editorial Review

Review

Praise for *Heart of Glass*

"Lawless is a plucky, sympathetic narrator and grapples bravely with setback after setback." (*New York Times Book Review*)

"Lawless has a fine eye for detail; reading about her misadventures will give readers—especially anyone who was single in 1980s New York City—a delicious shudder." (*People*)

"Lawless has an engaging voice... seems to have an unending number of stories to tell." (*USA Today*)

"[Lawless] writes with charming candor... A lively, at times scandalous, tale of a twenty-something discovering herself." (*Booklist*)

"As she shares her progression from an insecure, troubled girl to a young woman who can stand confidently on her own two feet, the unsinkable Lawless tells a tale of triumph over a difficult past. Readers will be drawn to her unique blend of sweetness, grit, and resilience." (*Publishers Weekly*)

"The details shine. Lawless is observant and often profanely funny." (*Columbus Dispatch*)

"Before Lena Dunham and Co. were traipsing through Millennial-clogged Brooklyn, there was the young, fierce, and funny Wendy Lawless, conquering through the weird, wild, wide-open streets of Manhattan in the early-80s. Witty, poignant and vulnerable, Lawless knows how to spin a tale." (Michael Hainey, author of AFTER VISITING FRIENDS (A Son's Story))

"Wendy Lawless has written a beautiful, and sometimes gritty memoir of her twenties. After a tumultuous upbringing, she finds herself lost and looking for love among artists in 1980's New York City, while finding her footing as an actress. Inspiring and often heart-wrenching, Wendy finally discovers what it means and how it feels to live 'happily ever after.'" (Christina McDowell, author of AFTER PERFECT)

Praise for *Chanel Bonfire*

"Lawless leavens her harrowing story with biting humor and never descends into self-pity--but boy, do we feel for her." (*People*)

"Frequently entertaining chronicle of a daughter's sad, detached upbringing." (*Kirkus*)

"[A] darkly comic memoir...[Lawless] chronicles her mother's decline from sparkling femme fatale to desperate drunk in this simultaneously chilling and hilarious tale, whose unmistakable message is that though Lawless has, in some ways, led a privileged life, she never got the one thing she most wanted: her mother's love." (*O Magazine*)

"[A] quick but powerful read that you can only wish was fiction." (*USA Today*)

"Lawless's chronicles of life with her charming, wildly unstable mother could be bleak, but the author's wit,

resilience, and compassion make her story illuminating and inspiring.” (Reader's Digest)

"A searing memoir that reads like a novel, as Lawless's beautiful, unstable mother careens through the swinging sixties and seventies in New York, London, Paris and Morocco, two captive blond daughters in tow, before bottoming out in Boston. What astonishes is the author's ability to tell her often hair-raising story of survival not only with lucidity and fluency but wry humor." (Anne Korkeakivi, author of *An Unexpected Guest*)

“[A] wrought and engaging memoir.” (*Publishers Weekly*)

"Mothers, in spite of what we wish desperately to believe, are sometimes very, very bad at taking care of children. Wendy Lawless survived her mother's flagrant horror show to bear witness and record her astonishing childhood. *Chanel Bonfire* makes an undesirable truth more vivid: some mothers just plain suck." (Susanna Sonnenberg, New York Times bestselling author of *Her Last Death and She Matters*)

“*Chanel Bonfire* is both terribly funny and terribly tragic, often at the same time. With remarkable clarity, wit, and grace, Wendy Lawless recounts a childhood defined by her wildly unstable mother, a woman who can morph from Grace Kelly to Joan Crawford in the blink of an eye. I laughed a lot, teared up once or twice, and called my mom to say ‘I love you’ once I finished.”
(Cristina Alger, bestselling author of *The Darlings*)

“What a heart-breaking memoir. I will never look at a blue nightgown the same way again!”
(Tim Gunn, New York Times bestselling author of *Gunn's Golden Rules* and *Tim Gunn's Fashion Bible*)

“This miracle of a memoir is completely free from self-pity, and it's surprisingly suspenseful.” (*BookPage*)

“I was blown away by Wendy's ability to tell the story of such an emotional, troubled upbringing with such heart, love, and oftentimes, humor. If she isn't bitter, maybe none of us have the right to be. I found her story riveting.” (Sarah Colonna, New York Times bestselling author of *Life as I Blow It*)

About the Author

Wendy Lawless is an actress who has appeared on television, in regional theater, Off-Broadway in David Ives's Obie-winning play *All in the Timing*, and on Broadway in *The Heidi Chronicles*. Her work has appeared in *Redbook* magazine, on *Powells.com*, and in the local Los Angeles press. She lives in California with her screenwriter husband and their two children.

Users Review

From reader reviews:

Maria Abel:

The knowledge that you get from *Heart of Glass: A Memoir* will be the more deep you excavating the information that hide inside the words the more you get considering reading it.
