#Selfie is the fourth book in the Hashtag Series

It's all about the #Selfie.

She was the one girl I never wanted.

Until I had her.

One night.

One mistake.

Something we both wanted to forget.

I got rid of the proof. The one piece of evidence that could remind us both.

At least, I thought I did.

When it shows up on the school Buzzfeed, rumors fly. Friendships are tested and the feels get real.

I don't do relationships. I don't open my heart.

Especially for a girl everyone knows I hate.

What happens during spring break stays in spring break.

Until it follows you home.

From the Inside Flap

Excerpt from #Selfie

I ripped the cotton dress over her head and threw it onto the floor.

My upper lip curled when I took in all that skin covered by nothing but triangles of fabric and strings.

Her bikini was red.

It was barely there.

And the way her body looked in it...

More than once this week I had to stop myself from pounding some random guy for staring.

It didn't matter who stared at her.

Ivy wasn't mine.

I didn't want her.

But tonight... *tonight I did.*

Tonight she was.

I dipped my finger beneath the feeble string and followed it all the way around to the back of her neck where it tied. The goosebumps that rose up across her skin were not lost on me.

"I don't ever want to see this bikini on you again." I rasped and pulled the end of the tie. I tugged slowly, as I caught her eyes with mine. "I don't want anyone else looking at you in it. Ever. Again."
