Editorial Review

Review

“The *ESV Men’s Devotional Bible* is a gift to the church. The meditations in this Bible are rich, provocative, and practical. It is perfect for private study or for men’s groups and Bible studies, and is of benefit to men at every stage of life.”

—**Russell D. Moore**, president, Ethics & Religious Liberty Commission of the Southern Baptist Convention

“What is more important to the family, to the church, and to the surrounding culture than men who love Jesus and love his Word? I am excited about any tool that gets men into God’s Word, because the more a man knows God’s Word, the more he’ll come to know and love the God that the Word reveals. It’s not hard for me to recommend this tool that makes the Bible more accessible to men.”

—**Paul David Tripp**, president, Paul Tripp Ministries; author, *What Did You Expect?*

“Many daily devotional books tempt you to read only a verse or two of the Bible tacked to the top of each page while the main stage is given to the devotional material written for that day. The *ESV Men’s Devotional Bible* does just the opposite, interleaving the daily devotional material between entire chapters or books of the Bible. This isn’t a devotional book with a bit of Bible mixed in, rather it is a full Bible with 365 devotional writings woven in. Men will appreciate the convenience of enjoying their daily Bible reading and the encouragement of a devotional writing without the need for an additional book. It’s all in one. And to top it off, the articles are written by committed men of God. Well done, Crossway!”

—**Donald S. Whitney**, professor of biblical spirituality and associate dean, School of Theology, The Southern Baptist Theological Seminary; author, *Spiritual Disciplines for the Christian Life* and *Family Worship*

“This Bible is filled with devotionals written by reliable, wise guides who can open up the Scriptures for men seeking deeper understanding and deeper intimacy with God. It challenges men to humble faith and gracious leadership. I highly recommend it.”

—**Mike Cosper**, founder and director, Harbor Institute for Faith and Culture

“Daily Bible reading is an important discipline for every Christian. But daily devotional essays, based on the Bible, have also proved useful to countless believers. Now the *ESV Men’s Devotional Bible* brings these two spiritual realities together in a splendid series of devotionals targeting the unique needs of men. In our disoriented, gender-confused generation, if ever there was a need for this sort of godly counsel, anchored in the very text of Scripture itself, it’s now. Kudos to the producers of this volume for helping men to keep their daily focus where it needs to be: on the truth of God’s revealed Word.”

—**Duane Litfin**, President Emeritus, Wheaton College
