**Great Expectations: The Graphic Novel (Classic Graphic Novels)** By Charles Dickens

The Classic Graphic Novel Collection is a revolutionary new series of graphic novels which re-tells classic literature for learners of English. Graded at the intermediate level, the fresh blend of accessible storytelling and captivating artwork ensures that students will want to return to these stories time and again. "My name was Philip Pirrip. When I was a small child, I couldn't say this, so I called myself Pip." Pip is a young man from humble beginnings. He abandons his old life to become a gentleman after several occurrences: a frightening meeting with an escaped prisoner; a call to meet with the bitter, old Miss Havisham and the beautiful but cold-hearted Estella; and the sudden generosity of a stranger. The story of Pip's Great Expectations is accompanied by fabulous artwork which sends the reader straight to Dickens's Victorian England.

### Editorial Review

From School Library Journal

Grade 7 Up—This classic tale is condensed into a fast-paced format that, in the *Original Text*, still contains much of Dickens's original phrasing. The language remains the real charm of the story—Pip is not a terribly likable character, as he is far too concerned with station and class and is too easily ashamed of his past—and the adaptation works wonderfully as an abridgment accompanied by expressive artwork that accurately depicts the era. Notes at the end offer more information about Dickens's time and the political climate that form the context for the novel. *Quick Text* is a plain-language translation that reads well and is likely to attract a more reluctant audience. While the adaptation of the story is still good, it is a shame to lose the author's original words; the art makes the action and situations clear enough without further watering down the text. Unfortunately, the *Quick Text* cover is much more intriguing than the *Original Text*. The latter is recommended for libraries looking to expand their graphic-novel selections into the classics, with the former recommended only where reluctant readers are the majority of the comics audience.—Alana Abbott, James Blackstone Memorial Library, Branford, CT END

### Users Review

#### From reader reviews:

#### Brian Lowe:

Have you spare time for the day? What do you do when you have much more or little spare time? Yes, you can choose the suitable activity regarding spend your time.
