Lost: A Lacey Flint Novel (Lacey Flint series Book 3) By Sharon Bolton, S. J. Bolton

Like everyone reading the newspapers these days, 10-year-old Barney Roberts knows the killer will strike again soon. The victim will be another boy, just like him. The body will be drained of blood, and left somewhere on a Thames beach. There will be no clues for London detectives Dana Tulloch and Mark Joesbury to find. There will be no warning about who will be next. There will be no real reason for Barney's friend and neighbor, Lacey Flint, on leave from her job as a London police detective, to become involved...and no chance that she can stay away. With the clock ticking, the violence escalating, and young lives at stake, Lacey and Barney both know they can't afford a single wrong step if they hope to make it through alive.

S.J. Bolton, an award-winning author of five novels, delivers her most compelling novel to date, in which a fragile police detective and a courageous, lonely eleven-year-old boy must work together to unmask a killer. *Lost* provides all of the pulse-pounding suspense, beautifully drawn characters, and intricate plotting thriller fans could hope for—and more.

Please note, this title is published in the UK as *Like This For Ever*.

Editorial Review

From [Booklist](#)

Starred Review On leave following her horrific experience in *Dead Scared* (2012), Detective Constable Lacey Flint finds herself emotionally ill-equipped to return to the job she once loved, and equally unable to stamp out her growing feelings for colleague Detective Inspector Mark Joesbury. Consequently, she spends her days alone and unapproachable in her apartment, taking long nighttime walks, and watching the kids who congregate at the local community center to smoke and mess around. One of those kids is her neighbor Barney Roberts, an amiable but obviously troubled preteen, whose single-parent father is clueless when it comes to the needs of his son. In the meantime, five young boys who have gone missing in South London have begun to turn up—exsanguinated and, of course, very, very dead. When Lacey’s midnight forays put her in proximity to one of the murders, she becomes a suspect, though it takes Barney’s disappearance to make her react; but by then it may be too late to help her young friend. Bolton sets aside the gothic-tinged atmosphere of her early novels in favor of a more visceral sensibility, exerting immediate and continuing pull by stepping in and out of an unnamed killer’s mind. Couple the strong narrative drive with a pair of dysfunctional but surprisingly sympathetic characters, and you have a nail-biting thriller that will send readers back to Bolton’s previous books and, of course, have them lining up for whatever the author comes up with next. --Stephanie Zvirin

Review

“Realistic fear, heart-stopping suspense, and jolting plot twists keep one almost frantically turning pages as Bolton grabs us from the beginning and leaves us shaken at the end. Highly recommended.” *?Library Journal (starred review)*

“Close-to-the-bone red herrings skillfully strewn across the detectives’ paths, convincing cop-shop procedure, and perceptively drawn secondary characters help push this contemporary crime novel ahead of the pack...Bolton looks deep into the lost-soul madness of a killer and makes her vision all too horribly real.” *?Publishers Weekly (starred)*

“Couple the strong narrative drive with a pair of dysfunctional but surprisingly sympathetic characters, and you have a nail-biting thriller that will send readers back to Bolton’s previous books and, of course, have them lining up for whatever the author comes up with next.” *?Booklist (starred)*

“Bolton is changing the face of crime fiction--if you only read one crime novel this year, make it this.” *?Tess Gerritsen on Now You See Me*

“Really special: multi-layered and sophisticated, but tough too.” *?Lee Child on Now You See Me*

About the Author
