### Macbeth (No Fear Shakespeare Graphic Novels) By SparkNotes

*No Fear Shakespeare Graphic Novels* is a series based on the translated texts of the plays found in *No Fear Shakespeare*. The original *No Fear* series made Shakespeare's plays much easier to read, but these dynamic visual adaptations are impossible to put down. Each of the titles is illustrated in its own unique style, but all are distinctively offbeat, slightly funky, and appealing to teen readers. Each book will feature:

- Illustrated cast of characters
- A helpful plot summary
- Line-by-line translations of the original play
- Illustrations that show the reader *exactly* what's happening in each scene—making the plot and characters even clearer than in the original *No Fear Shakespeare* books
