The Elusive Quest for Equality: 150 Years of Chicano/Chicana Education (HER Reprint Series) From Brand: Harvard Education Press

The Elusive Quest for Equality documents both the plight and the struggle of Chicano communities over the past 150 years, using the guiding themes of segregation, Americanization, and resistance in the history of education for Chicanos/Chicanas.

The history of the Chicano community's quest for educational equality is long and rich. Since the Treaty of Guadalupe Hidalgo formalized the conquest of half of Mexico's territory into what is now the U.S. Southwest, Chicanos have fought to claim what was promised them in the Treaty—the enjoyment of all the rights of U.S. citizens. In terms of education, they certainly have never had equal access, opportunity, or resources, despite legal victories. In this volume, some of the leading scholars analyze why the quest for equality in education has remained so elusive. They do so by documenting both the plight and the struggle of Chicano communities over the past 150 years, using the guiding themes of the role of language, segregation, Americanization, and resistance in the history of education for Chicanos/Chicanas.

"In the cover painting of this book, Manuel Hernandez Trujillo captures...the dualistic nature of the U.S. conquest of Northern Mexico, reflecting both the losses and opportunities represented in his camino de espinas (road of thorns). This tension between cynicism and optimism pervades the essays in this volume...something I see over and over again in discussions that focus on the significance of race in a democratic society. To what extent does the past determine our future, and to what degree do our own expectations of the future influence our interpretations of the past? It seems to me that these two interdependent questions continue to shape both our experience as Chicanos/Chicanas and our understanding of what it means to be Chicano/Chicana in the United States at the end of the twentieth century."

Manuel N. Gómez, Vice Chancellor, Student Services, University of California, Irvine, from the Foreword

Editorial Review

Review

The Latino student population in this nation is growing by leaps and bounds, and these students are being met by hostile policies such as anti-bilingual and anti-affirmative action practices. Every educator should pay close attention to the policies recommended and history documented in this book. --Teresa Montano, United Teachers Los Angeles

The Elusive Quest for Equality is an important contribution that advances the conversation of the Treaty of Guadalupe Hidalgo and the impact it has had on the educational expectations of Mexican Americans. --Rodolfo Acuna, California State University at Northridge

Some of the best minds in the field inform us that many of our present difficulties (e.g., biased testing, segregation, language issues, and access to institutions of higher education) have deep historical roots. . . . The most powerful message of this book, . . . in my opinion, is that policymakers and other school reformers would do well to learn more about the history of education as it has developed for Chicanos/as. Knowing this history is essential for understanding the implications of present reform initiatives. --Ruben Donato, University of Colorado at Boulder

The Elusive Quest for Equality builds a solid case for the resilience and tenacity of the Mexican American struggle for equality in education. It also provides an indispensable background for educators and a moral guidepost for anyone who determines educational policy in the United States today. --Manuel S. Espinosa, Saddleback College, Mission Viejo, CA

From reader reviews:

Ian Gardner:

As people who live in the modest era should be up-date about what going on or data even knowledge to make these keep up with the era that is always change and move ahead. Some of you maybe can update themselves by reading books. It is a good choice for yourself but the problems coming to you actually is you don't know what one you should start with. This *The Elusive Quest for Equality: 150 Years of Chicano/Chicana Education (HER Reprint Series)* is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Anna Wright:

A lot of people always spent their free time to vacation or maybe go to the outside with them friends and family or their friend. Do you know? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. If you would like try to find a new activity honestly, that is look different you can read any book. It is really fun to suit your needs. If you enjoy the book you read you can spent all day long to reading a book. The book *The Elusive Quest for Equality: 150 Years of Chicano/Chicana Education (HER Reprint Series)* it doesn't matter what good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. If you did not have enough space to deliver this book you can buy the e-book. You can m0ore very easily to read this book from the smart phone. The price is not very costly but this book features high quality.

James Mendoza:

Playing with family in the park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, in that case why you don't try matter that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love *The Elusive Quest for Equality: 150 Years of Chicano/Chicana Education (HER Reprint Series)*, you could enjoy both. It is very good combination right, you still need to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't get it, oh come on its known as reading friends.

Arlene Farrar:

A lot of publication has printed but it differs from the others. You can get it by net on social media. You can choose the very best book for you, science, amusing, novel, or whatever by searching from it. It is referred to as of book *The Elusive Quest for Equality: 150 Years of Chicano/Chicana Education (HER Reprint Series)*.

You'll be able to your knowledge by it. Without leaving behind the printed book, it can add your knowledge and make anyone happier to read. It is most important that, you must aware about book. It can bring you from one location to other place.
