The Hook-up Doctor's Guide (What A Boy Wants) By Nyrae Dawn

Sebastian Hawkins, known online as “The Hook up Doctor” is taking his advice column one step further with “The Hook-up Doctor Guide”. In this manual he’s revisiting some of his hardest cases along with dishing out brand new advice, too. Sebastian isn’t stopping with just these six specific cases either. He’s throw in some of Sebastian’s Rules to give girls extra advice on grabbing the guy of their dreams.

So if you've ever been a little lost on how to move out of the "friend territory" or make your BFF's brother see you as more than his little sister's friend, than this guide is for you.

For more from The Hook-up Doctor you can check out his story in WHAT A BOY WANTS.

Sometimes advice is much easier to give, than to put into action...

This is a short story companion which can be read before or after, WHAT A BOY WANTS.

Disclaimer: The Hook up Doctor Guide is a work of FICTION and not meant to apply in real life. Sebastian and all of the situations in this book are fictional and for entertainment purposes only. This should not be used as a real “self-help” book. This advice is not meant for readers use, but for a fun, fictional read.
