Ugly Love: A Novel By Colleen Hoover

#1 *New York Times* bestselling author Colleen Hoover returns with a new heart-wrenching love story.

When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her.

Never ask about the past.
Don't expect a future.

They think they can handle it, but realize almost immediately they can't handle it at all.

Hearts get infiltrated.
Promises get broken.
Rules get shattered.
Love gets ugly.
