### Free Me (Found Duet) By Laurelin Paige

Her story started long before she started working at The Sky Launch...

Screw fairytales. The only reward Gwen Anders got from her rough childhood was a thick skin and hard heart. She's content with her daily grind managing a top NYC nightclub—Eighty-Eighth Floor. So hers isn't a happily ever after. She doesn't believe in those anyway.

Then she meets J.C.

The rich, smooth talking playboy is the sexiest thing that Gwen has ever encountered, but she's not interested in a night-in-shining latex. But when a family tragedy pushes her to the brink, it's J.C. who's there to teach her a new method of survival, one based on following primal urges and desires. His no-strings-attached lessons require her to abandon her constant need for control. Her carefully built walls are obliterated.

Gwen discovers there's a beautiful world outside her prison. Freedom is exhilarating—and terrifying. When she starts to feel something for J.C., she fears for her heart. Especially as she realizes that he has secrets of his own. Secrets that don't want to set him free.

This series can be read alone or with the Fixed Trilogy.

#### About the Author

Laurelin Paige is the *New York Times*, *Wall Street Journal*, and *USA Today* Bestselling Author of the *Fixed Trilogy*. She's a sucker for a good romance and gets giddy anytime there's kissing, much to the embarrassment of her three daughters. Her husband doesn't seem to complain, however. When she isn't reading or writing sexy stories, she's probably singing, watching *Game of Thrones* and *The Walking Dead*, or dreaming of Michael Fassbender. She's also a proud member of Mensa International, though she doesn't do anything with the organization except use it as material for her bio.
