### **About the Author**

Gillian Gloyer first attempted – wholly unsuccessfully – to visit Albania in 1981. She finally made it in 1998 and spent most of the next four years living and working there. She travelled the length and breadth of the country for both business and pleasure; she continues to visit the country regularly and retains good contacts there. She speaks the language well and translated the extracts from Albanian authors which feature in the guidebook. She is a keen hill walker and amateur archaeologist.
