Editorial Review

From School Library Journal

Starred Review. Grade 1-4—A magical fox learns an important lesson in this original trickster tale. Disguised as a monk, he offers Basho, Japan's most revered poet, three gold coins if he agrees to give all of the cherries from his tree to the neighboring foxes. When the coins turn into river stones, the mischievous creature awaits the impoverished poet's angry outburst. However, Basho's profound appreciation of the stones' beauty takes the form of a haiku, which humbles the animal. Chagrined, he tries to give Basho three real coins, which the man summarily refuses. The fox uses his wiles to repay the poet in yet another transmogrification, and they live companionably from that day on. Han's watercolors are adept at capturing the beauty of the Japanese countryside, the serenity of Basho's hut, and the cunning expression of the fox/monk. Stylized frames separate the text from the lush backgrounds of shade-dappled pastoral scenes and striking kimono-silk patterns. The description of haiku on the title page and the appended author's note about Matsuo Basho provide just the right amount of supplemental information. Myers's storytelling background is apparent in the pacing of the tale and in the carefully selected, descriptive narrative. An exotic and eye-catching addition to storytimes.—*Carol Ann Wilson, Westfield Memorial Library, NJ*

PreS-Gr. 2. In this team's second tribute to Matsuo Basho (*Basho and the Fox*, 2000), the seventeenth-century Japanese poet befriends a clan of kimono-clad foxes and agrees to share his cherry harvest with them. One fox becomes greedy, however, and devises a plan to trick Basho out of his share. By transforming himself into a monk, the fox temporarily turns three "worthless" stones into gold coins, and tempts the poor, hungry poet with coins for cherries. Is Basho angry when the coins turn back into rocks? Yes! But he quickly becomes both grateful and inspired, as he recognizes the beautiful stones' true worth and writes a haiku about them. The conniving fox is humbled by the poet's attitude and does everything he can to ensure that his trickery is undone. Along the way, he learns a lesson or two about perception, honor, and sharing. Han's expressive watercolors, with an unusual variety of perspectives, keep the story lively. A clever original fable that ends with cherries for everyone. An author's note is appended. *Karin Snelson*
