Churchill: A Life By Martin Gilbert

Distilled from years of meticulous research and documentation, filled with material unavailable when the earliest books of the official biography's eight volumes went to press, *Churchill* is a brilliant marriage of the hard facts of the public life and the intimate details of the private man. The result is a vital portrait of one of the most remarkable men of any age as well as a revealing depiction of a man of extraordinary courage and imagination.

Editorial Review

Amazon.com Review

It is impossible to understand the Second World War without understanding Winston Churchill, the bold British Prime Minister who showed himself to be one of the greatest statesmen any nation has ever known. This lengthy biography is a single-volume abridgment of a massive, eight-volume work that took a quarter-century to write. It covers Churchill's entire life, highlighting not only his exploits during the Second World War, but also his early belief in technology and how it would revolutionize warfare in the 20th century. Churchill learned how to fly a plane before the First World War, and was also involved in the development of both the tank and anti-aircraft defense. But he truly showed his unmatched mettle during his country's darkest moments: "His finest hour was the leadership of Britain when it was most isolated, most threatened, and most weak; when his own courage, determination, and belief in democracy became at one with the nation," writes Gilbert. There are several wonderful books available on Churchill, but this is probably the best place to start.

From Publishers Weekly

Author of an eight-volume official biography of Winston Churchill, Gilbert here distills his vast knowledge into a lucid, comprehensive and authoritative life of the man considered by many to have been the outstanding public figure of the 20th century. Photos.

Review

"Mr. Gilbert's job was to bring alive before his readers a man of extraordinary genius and scarcely less extraordinary destiny. He has done so triumphantly." ?*Hugh Brogan, The New York Times Book Review*

"A richly textured and deeply moving portrait of greatness." ?*The Los Angeles Times*

"By far the most lucid, comprehensive, and authoritative account of Churchill that has been offered in a single volume. It furnishes a crown to Gilbert's already prodigious labors." ?*Philip Ziegler, The Telegraph (London)*

"It would seem impossible to distill the eight volumes of Churchill's authorized biography into a single volume, even one of a thousand pages. But that is what Martin Gilbert has done, and the result does not seem pinched at all. It is of course a grand story." ?*The Washington Post Book World*

"The most scholarly study of Churchill in war and peace ever written . . . essential diplomatic history and enlightening personal history." ?*Herbert Mitgang, The New York Times*
