Happy Hour: Racing on the Edge (Volume 1) By Shey Stahl

Between revving engines, smoking tires, and high speeds, two friends form a vital bond in the shadows of the blaring spotlight. Sway Reins, a track owner's only daughter, and Jameson Riley, a gritty NASCAR rookie driver, have been best friends since they were kids. Over the years, Sway becomes his safety shield during his rapid rise to the elite levels of auto racing. A night of celebrating a victory leaves Sway believing that she can convince Jameson to fall in love with her. She becomes determined to be more than just a pit lizard trolling the pits. Little does she know that this steadfast racer has his own idea of revelry. Soon their compression ratios are timed exactly right and all the reciprocating motions have led them to happy hour. As their passion revs, the inner workings of an internal combustion engine have never been so erotic. Just a taste turns into a thirst neither of them saw coming. Can she convince this rookie he can have love and his dream?

Editorial Review

About the Author

Shey resides in the shady Northwest where rain and clouds are a common occurrence. No stranger to the dirt track, she spent her childhood cheering on her dad and fellow racers of the Northwest where a fascination began. Her passion for racing and a good love story led her to writing a series about the love between two people and their love for the sport. When Shey is not chasing around an independent princess with magical powers, she's getting her need for speed at the local dirt tracks.
