Book 2: SEQUEL TO A MOMENT

Sometimes in life....

Things were supposed to get better when Ryan met Lili. I was supposed to move on, get a life... but I'm stuck and lost. Things with my father are not good. There are demons in our closet, big ones. Ones I want to kill him for, I'm seeing a shrink, I'm trying to get better... but my life feels out of control, like I'm adrift. I don't know where to look, how to get anchored again, and then I meet Zoe Stone. Something about her draws me out of my rut, makes me laugh for real, smile, and for the first time in years I want to be more. But what will she think when she discovers who I really am?

...all we have...

When Alexander Donovan, aka The Golden Adonis, walks into my tattoo parlor, I know I'll do anything to make that man mine. There's an instant connection, a need to know more about him. Everything about him. But there's also a mystery surrounding the guy, when people look at him they only see the man that laughs, that cracks jokes and makes the world think that everything's okay, but I see the truth... I see the darkness that lurks so deep inside few would ever recognize it. I want to help him, I want to be with him, now I just have to make him trust me enough to let me in.

Author's Note: This book is a continuation story of A Moment. It is a stand alone title, but is better understood if you read book 1, which is currently free everywhere!

Editorial Review

About the Author

Marie loves books that make you think, or feel something. Preferably both. And while she's a total girly girl and loves glitter and rainbows, she's just as happy when she's writing about the dark underbelly of society. Well, if things like zombies, and vampires, and werewolves, and mermaids existed. (Although she has it on good authority that mermaids do in fact exist, because the internet told her so.) She's married to the love of her life, a sexy beast of a caveman who likes to refer to himself as Big Hunk. She has two awesome kids, lives in Hawaii, loves cooking and occasionally has been known to crochet. She also really loves talking about herself in the third person. If you want to see what new creations she's got up her sleeves check out her blog: www.MarieHallWrites.blogspot.com or contact her personally at mariehallwrites@gmail.com
