The Course in Manifesting 3 Book Box Set: (Becoming Magic, Doing Magic & Advanced Magic) By Genevieve Davis

The omnibus edition includes all THREE books in the best-selling Course in Manifesting series.

The *Course in Manifesting* is a complete course in becoming creator of your own exceptional life. In this course, I outline the exact steps that enabled me to move my own life from one of poverty and drudgery, to one of previously unimaginable wealth, purpose, abundance and joy.

‘But Magic? I do hope you are joking!’

That’s what I would have said, five or ten years ago. I once despised all things ‘New-Age’, all these spiritual types and their airy-fairy views, their bad science and their irrational beliefs.

I read all the New Thought and Law of Attraction greats, Wallace Wattles, Anthony Robbins, Rhonda Byrne, Napoleon Hill, Esther Hicks and Wayne Dyer. But no matter how many books I read, or how closely I followed their instructions for manifesting money or love, *I couldn’t make it work.*

It was only when I recognized, accepted and finally embraced that what I was doing was actually some kind of *Magic* that suddenly things began to fall into place. Once I realized that the power came from within *me*, it was as if the light had suddenly been switched on and my manifestations began to work. I learned how to manifest money and love, but I also learned how to be happy, truly happy.

If you’re jaded by New Age spirituality and the whole Law of Attraction idea, or have become bored by its failure to deliver... these books are for you. It is my intention to lead you by the hand through a marvellous journey of wonder and adventure.

BECOMING MAGIC (Book 1)

Part one of this course, *Becoming Magic*, lays the groundwork for becoming a magical person, reawakening the power that lies within you. From here, the plan is to build your knowledge slowly, gradually, building on what has gone before, moving on to more complex techniques only once the basics are mastered.

DOING MAGIC (Book 2)

Book two, *Doing Magic*, offers concrete techniques and instructions for bringing wonderful things into your life. So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques, trying to create enormous manifestations, making very simple but crucial mistakes. When they are disappointed, they imagine they have been duped. The sceptics are right. This is all a load of scammy nonsense. And they give up, declaring *it just doesn't work*.

I am telling you that it does work. And *you can make it work*. And this book will show you how.

ADVANCED MAGIC (Book 3)

And finally, we complete the journey with *Advanced Magic*.

It's time to think a little deeper, feel a little keener, experience a little more intensely, and so consolidate and strengthen your knowledge. This book is designed to increase the fledgling power that you discovered from the first two books of the course. We now need to build on what has gone before, boosting your success, increasing your Magical power and making your manifestations more reliable... and more spectacular.

Be warned: if you want a quick fix of positive thinking, to be told that using Magic and the Law of Attraction is fast and simple, and anyone can master it with ease, I suggest you *buy a different book*. But if you are serious about mastering Magic, if you are willing to treat this with the reverence, time, care, and study that it deserves, *these books are for you*.

Being really, truly in control of making things happen, attracting things *at will*, using Magic consistently and reliably, is something of which only a very select few are capable. Come with me, and become one of them.

These three books will allow you to become a true creator of your own life, reawakening and rekindling your belief in Spirituality, The Law of Attraction, Reality Creation, Cosmic Ordering or whatever you wish to call it.

I prefer simply to call it *Ma*
