## Unwilling: A Pride and Prejudice Vagary By Elizabeth Adams

Mr. Bennet discovers his days are numbered, so he immediately begins to set his affairs — and his five unmarried daughters — in order. Knowing they will fare best should at least one of them find a suitable husband, he cannot refuse any respectable suitors.

The high-spirited Elizabeth suspects something isn't right in the halls of Longbourn, but nothing prepares her for a certain haughty gentleman from Derbyshire. While Mr. Darcy is exceedingly wealthy and handsome, in Elizabeth's eyes, he is also proud, high-handed, and insulting. And unfortunately, desperately in love with her.

Suddenly, Elizabeth is forced to rethink her previous opinions. And accept a choice she never had the chance to make.

## **Editorial Review**

### **Review**

"*Unwilling* is a beautifully charming *Pride and Prejudice* variation that examines the potential of the Bennet family to improve themselves and the effect of such improvements. Readers who want to see Mr. Bennet as an active father and husband and Mr. Darcy as an ardent and understanding suitor should definitely give this lovely book a try!" - *Austen-esque Reviews*

"The manner in which Ms. Adams gradually developed Darcy and Elizabeth's feelings towards one another, and eventually expressed their emotional vulnerabilities with each other, made me feel like I was experiencing this intimate relationship in a very up close and personal manner. The bantering between Darcy and Elizabeth was clever and filled with great tension that allowed them to demonstrate their strong, independent natures while establishing both of them as equals in their relationship." - *JustJane1813*

"A spellbinding story of truth prevailing over prejudice; of growing love and understanding; of adversity leading to untold happiness for our favourite couple - and not just for them. Elizabeth Adams invites you to witness altered dynamics at Longbourn, which not only take Lizzy and Mr. Darcy on a rewardingly quicker (yet still none too smooth) path to their happily ever after, but also help create a heart-warming picture of the Bennet family at their least dysfunctional and most affectionate. A truly delightful read!" - *Joana Starnes, Author*
