Editorial Review

About the Author

Derick Schultz grew up on a farm in rural South Dakota. Adolescence was not kind to a lone pansy flower growing in a field of corn stalks. He turned to writing as a means of coping and catharsis during this difficult time. In the process an insatiable passion for writing was uncovered and discovered. Schultz has been published in several poetry collections and journals, national and local.

Users Review

From reader reviews:

Jesse Linder:

Reading a reserve can be one of a lot of task that everyone in the world likes. Do you like reading book therefore. There are a lot of reasons why people enjoy it. First reading a guide will give you a lot of new information. When you read a e-book you will get new information mainly because book is one of numerous ways to share the information or even their idea. Second, looking at a book will make you more imaginative.
