## Bomber By Len Deighton

*Bomber* is a novel about the realities of war. There are no victors, no vanquished. There are simply those who remain alive, and those who die.

*Bomber* follows the progress of an Allied air raid through a period of 24 hours in the summer of 1943, portraying all the participants in a terrifying drama, both in the air and on the ground, in Britain and in Germany. In its documentary style, it is unique. In its emotional power, it is overwhelming.

Len Deighton has been equally acclaimed as a novelist and as an historian. In *Bomber* he has combined both talents to produce a masterpiece.
