Brat (Sharing Spaces) (Volume 2) By Alicia Michaels

She's a spoiled shopaholic with daddy issues. He's a socially conscious vegetarian who doesn't hide his disdain for people who come from the trappings of wealth. Of course, none of that would have mattered if Chloe could have just left her summer fling with Chase behind her without a glance back—something that will prove impossible when the consequences of that fling rear their head. Particularly one consequence; one with ten fingers, ten toes, and the potential to turn Chloe's privileged life upside down. But deciding what to do about her unexpected pregnancy is only one of Chloe's problems. When Chase moves in across the hall, pretending that their one night together didn't mean anything will be the hardest thing she's ever had to do. Especially when that night meant more to her than she'd ever want to admit out loud. Chase is determined to make her see that they could be so much more than a mindless fling; and a girl who's used to getting her way will find Chase's determination hard to resist when love is at stake.
