### **Editorial Review**

#### **About the Author**

Miguel Puente has been a flight instructor since 2003. He has flown corporate jets and regional jets, has ferried airplanes across the Americas, and has provided hundreds of students with quality flight training. Miguel's immense experience with all forms of flight training has encouraged the development of easy-to-use training aids. With over 5,000 hours as a flight instructor, Miguel has perfected flight training aids that are both simple and effective. Miguel Puente developed Checkride Prep to help students absorb all the required knowledge in an easy-to-read format. After teaching military, airline-bound, and general aviation pilots, Miguel took it upon himself to create study guides that would save time, money, and would serve as an effective way of preparing for the FAA Checkride. From basic regulations to advanced weather theory, all knowledge required to pass the FAA Checkride Oral is effectively explained in this book.
