Confronted with yet another curve ball, Lucinda finds herself in *Álfheimr* at the mercy of the *Dökkálfa*. And the Fey have unusual rules, rules which even the Dark Fairies like to stretch.

Struggling with her physical well-being, battling a political world that is now her home, and working against a powerful, devious and underhand enemy, Lucinda must draw on all her Light to succeed.

However she is not alone. She is watched over by the spirit of a dragon.

From the Author

The Kindred Series is an Adult Urban Fantasy/Paranormal Romance set in modern-day Auckland, New Zealand.

Kindred - "A sacred match, a suitable partner for a joining. To be a kindred there must exist a connection between the Nosferatu and their chosen; only those suitably compatible will be kindred to the other".

At its heart, Kindred is a romance story, that just happens to feature sexy vampires, vampire hunters, and a kindred connection between the two never before seen. - Nicola Claire

About the Author

Nicola Claire lives in beautiful Taupo, New Zealand with her husband and two young boys. She's tried her hand at being a paramedic, bank teller and medical sales representative, (not all necessarily in that order), but her love of writing keeps calling her back. She has a passion for all things supernatural, spiced up with a good dollop of romance - as long as they include strong characters, alpha males and capable females, and worlds which although make-believe are really quite believable in the end. There's nothing better than getting caught up in a compelling, intriguing and romantic book. When she's not writing or reading, she's out on her family boat at Lake Taupo, teaching her young boys to fish, showing them the beauty that surrounds them in nature and catching some delicious trout for dinner. Kindred has been a joy to write, creating a rich world with dynamic characters and paranormal twists that shock and awe has been pure bliss for this author. And just as well, because there's a lot more story yet to tell...
