Prez (2015) Vol. 1: Corndog in Chief By Mark Russell

America's first teenaged president is on the job in this contemporary twist on a DC classic!

Oregon teen Beth Ross has just been elected President of the United States of America. Age restrictions were abolished when corporations gained the right to run for office and voting booths have been replaced by Twitter, making just about anyone eligible for the nation's top job, including the viral-video-famous Corndog Girl!

Now the eyes of the nation are on Beth. But in a world so out of control that the poor are willing to shoot themselves on TV for a chance at a better life, will even the new president have the power needed to overthrow the nation's true leaders-Boss Smiley and his corporate shadow government?

Writer Mark Russell (God Is Disappointed in You) teams with artists Ben Caldwell (JUSTICE LEAGUE BEYOND) and Mark Morales (X-Force, Secret Invasion) to revive and reinvent a classic! Collects PREZ #1-6 and SNEAK PEEK: PREZ #1.

Editorial Review

From School Library Journal

Gr 10 Up—The future of the United States is here, and it is a mess. After corporations are granted the right to vote, voting age is abolished. Now, younger citizens cast ballots through Twitter and campaigning occurs via vlogs; the Facebook like functions as political approval ratings; and hospitals advertise products to patients on their sickbeds. The presidential election is a circus, with corporations bribing politicians left and right. It's a recipe for disaster—and 19-year-old Beth Ross, aka YouTube celebrity Corndog Girl, ends up accidentally elected president of the United States. Beth, a levelheaded girl with a punk-rock haircut and a quick wit, establishes an inner cabinet of educated everymen and selects an older, established vice president to guide her. Beth's first course of action? To end the country's global surveillance program and find a cure for the cat flu that's ravaging the population. Both are noble goals, but they put her directly at odds with the corporations. This satire of American culture is outright scathing. It pulls no punches in its sociopolitical commentary. Caldwell uses vivid colors and pointed, occasionally anime-influenced line work, giving it more similarities with *The Unbeatable Squirrel-Girl* than with the muscular DC comics heroes. **VERDICT** Recommended for teens who are tired of the superhero craze but can appreciate a no-holds-barred spoof of the world around them.—Matisse Mozer, Santa Monica Public Library, CA

Review

"Very sharp political commentary." - Mike Roe from *Off-Ramp* on National Public Radio

-
“**It’s just perfect. It’s better than perfect; it’s now.** What Russell and Caldwell have created is the impossible, unlikely, and interminable now; the world as it is, hyperrealized in the kind of tomorrow we dare not believe, yet secretly fear will come.” – *PopMatters*

“*Prez* has become a standout title with its sharp political commentary, bold sense of humor, and intricate world building in both the writing and art. “–A.V. *Club/The Onion*

About the Author

Mark Russell is an American author, best known for his satirical graphic novel *God Is Disappointed In You*, an irreverent retelling of the Bible. He is also the writer of *PREZ* for DC Comics.

Users Review

From reader reviews:

James Collis:
