Then You Were Gone By Claire Moss

Could you leave the one you love?

Mack was that guy, the one who had it all. The looks, the charm and that twinkle in his clear blue eyes. Yet, after those first few moments of meeting him, Simone just knew he was the one. Four days ago, Mack told Simone he loved her – and then disappeared without a trace.

Now Simone is forced to question everything she ever knew about Mack – and whether it was all a lie. Determined to find him before the trail goes cold, she'll do anything to uncover the truth. But how do you find someone who doesn't want to be found?

And what if his secret is best left buried...

If you're a fan of Liane Moriarty, C. L. Taylor and Lucy Atkins you will love *Then You Were Gone*.
