Alliance By Gerald N. Lund

It's 18 years after the nuclear holocaust and the end of civilization, as we know it. Survivors are being relocated to a new society known as the Alliance. It seems like a dream come true for many of the new citizens. Crime, as well as harmful emotions, such as anger and prejudice have been eliminated, because the Alliance has computerized control over its citizens from a computer chip that has been implanted in everyone. Eric Lloyd discovers the Alliance's corrupt power structure and vows to destroy it. But can one person change the world?
