## Control By Charlotte Stein

### Will she choose control or just let go?

When Madison Morris wanted to hire a shop assistant for her naughty little bookstore, she never dreamed she'd have two handsome men vying for the position-and a whole lot more. Does she choose dark and dangerous Andy with his sexy tattoos? Or quiet, serious Gabriel, whose lean physique and gentle touch tempt her more than she thought possible?

She loves the way Andy takes charge when it comes to sex. But the turmoil in Gabe's eyes hints at a deep well of complicated emotions locked inside. When the fun and games are over, only one man can have control of her heart.

"If this is your first time crossing the line into the Dark Side of kinky sex and BDSM, then I recommend this book!" -Night Owl Reviews, 5 stars, Reviewer Top Pick

### What readers are saying:

"Forget Fifty Shades of Grey...take a look at this and see how long you can stay in control!"

"This is honest to God, hands down, the best erotic fiction I've ever read."

"Highly addictive!"

#### About the Author

Charlotte Stein has written over thirty short stories, novellas and novels, including entries in The Mammoth Book of Hot Romance and Best New Erotica 10. Her latest work, Addicted, was recently called salaciously steamy by Dear Author. When not writing salaciously steamy books, she can be found eating jelly turtles, watching terrible sitcoms and occasionally lusting after hunks. THE FIRST APPLICANT FOR the assistant job is very promising indeed. He puts his head between my thighs with minimal supervision and almost no prompting.

The only problem is - I don't recall creating an oral presentation portion of the interview. Or, for that matter, a portion that requires the answer: you know you want it. To a question I don't remember asking.

But I guess I must have asked for something, or none of it would have happened. Maybe it was all the staring I did, at the curling many-coloured tattoos all over his heavy-looking arms. Or the way I bristled beneath the weight of his deep blue gaze. I must have leant forward, and asked about his previous job experience in a way that suggested an underlying code.

Job meant sex. Experience meant now.

It was sharp of him, really, to understand. He got a cross in the interview attire column - such a thin, barely-there T-shirt! - but he got a big tick in the "takes initiative" and the "understands subtle instructions" columns.

I don't think I got any ticks, in the "cool, calm, controlling boss" columns, unfortunately. But can't I be forgiven? He looked like liquid sex and I can't remember the last time I had anything even remotely resembling a drink. Or resembling a hard, solid body over mine. Or resembling the scent of someone besides myself, all over me - the slick slide of a tongue against my skin.

It's probable that some of these needs showed on my face. And though I'm sure that some people are of the mind that women who wear neat little pleated skirts and boxy corduroy jackets - the uniform of bookstore

owners and librarians everywhere - are bookish and quiet and quite dull, there's probably an equal amount who view said women as repressed cauldrons of lust.

I'm pretty sure he sensed my boiling cauldron.

I think he felt I was a certain type - the type who won't admit they want it, not even to themselves. But when he pressed me up against the door to the back and then shoved me through, I didn't deny anything. My insides shimmied to think of this big handsome man, having me up against something. Just doing it, without columns or questions or things neatly arranged.
