Dan Poynter's Air Travel Handbook By Dan Poynter

All about air travel. This book contains inside tips discovered by frequent flyers. You will discover how to * Get better fares, better seats, and better treatment. * Use "airline speak" so you will sound like an insider. * Appear to be a frequent flyer. * Make your travel more fun. And read the fascinating details of how the airline industry works. "Dan has done an 'amazing' amount of research along with sharing his 'extensive global travel experiences.' If you want to be a savvy and happier air traveler, this is a must read. --Howard Putnam, former CEO, Southwest Airlines and author of *The Winds of Turbulence*. "This is the best book on travel I've ever seen (and I wrote one myself.)" --Tim Gard, million mile flyer, professional speaker on air travel and author of *Just Plane Funny*. "Peace of mind may be the greatest benefit if you travel overseas to dangerous places. An aware traveler is a protected traveler." --Norman Zalfa, past Director of Security, ITT Europe. Dan Poynter is a road warrior who flies more than 6,000 miles each week, boards an airliner every 2.5 days, and works outside the U.S. more than 40% of the year. He has collected hundreds of inside air-travel secrets. An author, publisher, and professional speaker, he loves to share what he has learned. 978-1-56860-150-2 Occasional flyers will find this book fascinating. Frequent flyers will find it essential. Both will find this book fun.

Editorial Review

Users Review

From reader reviews:

Robert Rios:

Typically the book Dan Poynter's Air Travel Handbook will bring you to the new experience of reading any book. The author style to clarify the idea is very unique. In the event you try to find new book to learn, this book very suited to you. The book Dan Poynter's Air Travel Handbook is much recommended to you to see. You can also get the e-book from the official web site, so you can easier to read the book.

Robert Schrader:

Are you kind of active person, only have 10 as well as 15 minute in your moment to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you have problem with the book compared to can satisfy your short period of time to read it because pretty much everything time you only find guide that need more time to be learn. Dan Poynter's Air Travel Handbook can be your answer since it can be read by an individual who have those short extra time problems.

Arthur Reaves:

Reading a book being new life style in this season; every people loves to study a book. When you examine a book you can get a wide range of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, this sort of us novel, comics, and also soon. The Dan Poynter's Air Travel Handbook will give you new experience in reading through a book.

Joel Kiser:

This Dan Poynter's Air Travel Handbook is brand-new way for you who has attention to look for some information because it relief your hunger of knowledge. Getting deeper you into it getting knowledge more you know otherwise you who still having small amount of digest in reading this Dan Poynter's Air Travel Handbook can be the light food for yourself because the information inside this particular book is easy to get through anyone. These books create itself in the form and that is reachable by anyone, that's why I mean in the e-book type. People who think that in guide form make them feel sleepy even dizzy this guide is the answer. So there isn't any in reading a guide especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book sort for your better life and knowledge.
