Global Marketing By Kate Gillespie, H. David Hennessey

This textbook introduces students to the important concepts of global marketing today, and their managerial implications. Designed to be shorter than many other textbooks, *Global Marketing* focuses on getting to the point faster.

Increasingly, marketing activities must be integrated at a global level. Yet, the enduring influence of culture requires marketers to adapt local strategies in light of cultural differences. *Global Marketing* takes a similar strategic approach, recognizing the need to address both the forces of globalization and those of localization. Other key features include:

- Coverage of often overlooked topics, such as the competitive rise of China's state-owned enterprises; the importance of diasporas as target markets; and the emerging threat to legitimate marketers from transnational criminal organizations
- A chapter dedicated to understanding global and local competitors, setting the stage for ongoing discussion of both buyers and competitors in an increasingly competitive global marketplace
- Extensive real-life examples and cases from developed and emerging markets, including insights into the often-overlooked markets of Africa, Latin America, and the Middle East

Written in a student-friendly style, previous editions have received praise from both students and instructors. This edition continues to build on this strong foundation, making this the book of choice for students of global marketing classes.

Users Review

From reader reviews:

Pauline Jefferson:

Book is to be different for every single grade. Book for children until adult are different content. We all know that that book is very important for all of us. The book Global Marketing was making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The book Global Marketing is not only giving you much more new information but also to get your friend when you truly feel bored. You can spend your own personal spend time to read your reserve. Try to make relationship with the book Global Marketing. You never really feel lose out for everything when you read some books.

Emma Patterson:

Reading a book being new life style in this season; every people loves to examine a book. When you go through a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your analysis, you can read education books, but if you want to entertain yourself read a fiction books, these kinds of us novel, comics, and soon. The Global Marketing will give you a new experience in studying a book.

Mary Haskell:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach

Chinese's country. So , this Global Marketing can make you feel more interested to read.

Arthur Freeman:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information from the book. Book is prepared or printed or descriptive from each source that filled update of news. In this modern era like now, many ways to get information are available for you. From media social like newspaper, magazines, science publication, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just seeking the Global Marketing when you essential it?
