NOTE: New release from Peter Vronsky on January 19, "Times Square Torso Ripper: Serial Killer Richard Cottingham."

### "WARNING

- This book contains police and court transcripts of audio and descriptions of extremely graphic sexual violence contained in videotapes made by the perpetrators."

Paul Bernardo and Karla Homolka were so perfectly iconic as a newlywed couple that they were dubbed "Ken and Barbie". But their marriage had a dark side involving sex, death, and videotape. The 'perfect couple' first raped and murdered Karla's little sister and then kidnapped teenage schoolgirls whom they enslaved, raped, tortured and killed while gleefully recording themselves on video doing it. Vronsky will take you on the journey from the Scarborough Rapist (Bernardo) to Bordelais (Homolka's current last name) and her return to Canada in October, 2014 from the island of Gaudeloupe where she lived for several years with her husband and three children.

### **A True Crime Gem by Peter Vronsky**

"The best-selling author and crime historian Dr. Peter Vronsky delivers another powerful true crime tale as he examines the grisly exploits of Paul Bernardo and Karla Homolka--that is, Canada's "Ken and Barbie killers." As well written, fact-filled and compelling as any of the other fine books by Vronsky, this volume will grab the reader from the very first page and not let go. It is intense and graphic, so it is not for the faint-hearted. If you love reading about true crime in all of its sordid and twisted details, then this book delivers a master of the craft at the top of his game. Impossible to put down!"

-- **Scott Bonn, PhD**, author of *Why We Love Serial Killers: The Curious Appeal of the World's Most Savage Murderers*.

From the Inside Flap

In February 1988, after Paul Bernardo threatened to drop her, Karla finally agreed to anal sex. He brought Karla back to his parents' house while they were away on vacation. As usual, by the time Karla had agreed to anal intercourse, Bernardo was ahead of her. Now he wanted to take pictures as well. Setting up his Polaroid camera, he had Karla masturbate with a wine bottle. He then had her get on the bed and he penetrated her anally. At one point, he tied a black electrical cord around her neck and yanked on it. In his hand, he held an eight-inch-long hunting knife. He told Karla not to worry, that the two props excited him more. The dated photographs were later entered into evidence.

Instead of running as far away from Bernardo as fast as she could, Karla actually became excited by these games and told Paul she hoped that he would marry her. In the autumn of 1988, about a year after they had met, Homolka said that Bernardo struck her for the first time. He told her he wanted her to wear a dog collar, and when she laughed, he slapped her. The next time they had anal sex, Karla was tugging on a dog leash while Bernardo tenderly whispered, "You're my little mutt." That was shortly followed by Bernardo's demand for analingus and that Karla now also add "ass-licker" to her vocabulary of scripted words. In one of Homolka's cards to Bernardo (which she wrote and mailed almost every day), she wrote--around their first anniversary.

*"Thanks for the best year of my life. You enriched my life beyond belief...I want to suck Snuffles and get him so hard that he can't take it anymore. And then I want to ease your pulsating penis into my tight little cunt. Your little girl wants to be abused. She needs her Big Bad Businessman to dominate her the best he can."*

Love, Kar
