Seeing in the Spirit Made Simple (The Kingdom of God Made Simple Book 2) By Praying Medic

Seeing in the Spirit Made Simple provides clear, simple, biblical instruction that will help you see into the invisible world of the spirit. It is the second book in *The Kingdom of God Made Simple* series; a self-study course designed to train believers how to live out the fullness of the life offered to us as heirs of God's kingdom.

The predominant view in the church today holds that seeing in the spirit is a rare gift given to only a few special people, or an anointing we must seek. With the same straightforward, down-to-earth style used in *Divine Healing Made Simple*, the author holds this view up to the light of scripture, and suggests that it has no biblical basis. Rather than being a gift given by God to only a few people, seeing in the spirit is an innate ability we all possess, which lies undeveloped in most of us. Through prayer, training and exercise, this ability can be awakened and used by virtually anyone. The author provides Bible-based teaching along with dozens of testimonies and illustrations. There are also practical exercises at the end of the chapters to help develop your ability to see in the spirit.

Praying Medic and his wife have only recently learned how to see in the spirit. Come along as they re-trace the path they've taken that has led them to see angels, demons and the heavenly realms. Whether you're a seasoned seer or a newbie, you'll learn from the experiences and insights they share. Not only will you develop better spiritual eyesight, but your relationship with God will grow too.
