Straight from the mouth of the financial guru himself these were the ten rules that

he lived by the entire time of his meteoric rise to success.

## **Book 2: Warren Buffett: To Be Rich And Successful Is Easy! Top-20 Life Changing Lessons From Warren Buffett If You Need An Inspiration.**

It is no secret that we all would like to be rich. Many of us feel that if we had a little bit more money (or a lot more money, depending on the person) then all of our worries would be over.

In that line of thinking, we wouldn't have to worry about where we live, what we are going to eat, or what we are going to wear. It really does feel like to many of us that if we had enough money, we wouldn't have an issue with anything.

While this is definitely a stretch, there is some truth to it. Money can't fix all of your problems, but it can really make a lot of things better in your life, and who doesn't want that?

Warren Buffett was a man who understands money. He is one of the most successful people alive today, and is on the list of the wealthiest people alive. This man knew how to handle stocks, and he knew how to handle money, and even though he was ridiculed and ignored at the time, he now is on top of his game.
