##### **Raymond Crandall:**

Reading a reserve tends to be new life style in this particular era globalization. With looking at you can get a lot of information that may give you benefit in your life. Using book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some analysis before they write on their book. One of them is this By J. Michael Gillette Theatrical Design and Production: An Introduction to Scene Design and Construction, Lighting, Sound, (4th Edition).

**Richard Lawrence:**

What is your hobby? Have you heard this question when you got pupils? We believe that that query was given by teacher to the students. Many kinds of hobby, All people has different hobby. And you know that little person just like reading or as looking at become their hobby. You need to know that reading is very important and book as to be the thing. Book is important thing to provide you knowledge, except your teacher or lecturer. You get good news or update in relation to something by book. Amount types of books that can you choose to adopt be your object. One of them is niagra By J. Michael Gillette **Theatrical Design and Production: An Introduction to Scene Design and Construction, Lighting, Sound, (4th Edition)**.
