From the Back Cover

What is a cult? Why do they emerge? Who joins them? And why do tragedies such as Waco and Jonestown occur? This Reader brings together the voices of historians, sociologists, and psychologists of religion to address these key questions about new religious movements.

The volume opens with an introductory essay by the editor, and each section is prefaced by a brief essay outlining the issues at stake, the state of current discussion, and the nature, value, and relevance of the selected readings. The readings themselves are broad-ranging and include coverage of topical questions, such as the 'brainwashing' controversy, sexual deviance and gender issues, and cults in cyberspace.
