Development and Social Change: A Global Perspective (Sociology for a New Century Series) From Brand: Pine Forge Press

This title is available on
CourseSmart

"Development and Social Change is a richly described and well written survey of change in the post-1950 period...The first edition was a practical and accessible contribution to the literature on social change. The fourth edition continues in this vein."

-TEACHING SOCIOLOGY

Explores development through historical narrative and examines the globalization/development paradox through in-depth case studies

Development and Social Change: A Global Perspective, Fourth Edition, describes the dramatic acceleration of the global and political economy across three historical periods: colonialism, the development era, and the current era of globalization. Author Philip McMichael helps students make sense of a complex world in transition and explains how globalization became part of public discourse. Filled with case studies, this text makes the intricacies of globalization concrete, meaningful, and clear for students and moves them away from simple social evolutionary views, encouraging them to ponder social change, development, and global inequalities. The book challenges students to see themselves as global citizens whose consumption decisions have real implications.

New to the Fourth Edition

- Links contemporary world issues such as slum proliferation, rebellion in Latin America, AIDS, the rise of China, and climate change to the long-term course

of development as a global project

- Weaves a stronger ecological theme into the story and emphasizes gendered features of modernization, as well as the complexity of its progressive claims, urging students to think critically about the costs and benefits of development
- Reviews current trends and asks new questions about the future of international development

Instructors Resources on CD are available to qualified instructors. Contact info@sagepub.com or 1-800-818-7243 (6 am - 5 pm, PT) to request a copy.

Intended Audience

This text is an ideal core or supplementary text for a variety of undergraduate or beginning graduate courses such as Globalization, Social Development, and Social Change in departments of sociology, political science, and global studies.

Editorial Review

Review

"Development and Social Change is a richly described and well written survey of change in the post-1950 period...The first edition was a practical and accessible contribution to the literature on social change. The fourth edition continues in this vein." (Gary Hytrek *TEACHING SOCIOLOGY*)

About the Author

Philip McMichael grew up in Adelaide, South Australia, and is an International Professor of Development Sociology at Cornell University. His book *Settlers and The Agrarian Question: Foundations of Capitalism in Colonial Australia* (Cambridge University Press, ©1984) won the 1995 Social Science History Association's Allan Sharlin Memorial Award. He has also edited *The Global Restructuring of Agro-Food Systems* (Cornell University Press, ©1994), *Food and Agrarian Orders in the World Economy* (Praeger, ©1995), *New Directions in the Sociology of Global Development* (Emerald, ©2005), and *Contesting Development: Critical Struggles for Social Change* (Routledge, ©2010). He has served as Director of Cornell University's International Political Economy Program, as Chair of the American Sociological Association's Political Economy of the World-System Section, and President of the Research Committee on the Sociology of Agriculture and Food for the International Sociological Association. And he has recently worked with the FAO, IATP and UNRISD, the International Planning Committee for Food Sovereignty, and the international peasant coalition, La Vía Campesina.

Users Review

From reader reviews:

Emilie Lechner:

Inside other case, little men and women like to read book *Development and Social Change: A Global Perspective (Sociology for a New Century Series)*. You can choose the best book if you want reading a book. Given that we know about how is important a new book *Development and Social Change: A Global Perspective (Sociology for a New Century Series)*. You can add know-how and of course you can around the world by way of a book. Absolutely right, due to the fact from book you can understand everything! From your country till foreign or abroad you will find yourself known. About simple matter until wonderful thing it is possible to know that. In this era, we could open a book as well as searching by internet device. It is called e-book. You may use it when you feel bored stiff to go to the library. Let's study.

Kim Nielsen:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge your information inside the book that will improve your knowledge and information. The info you get based on what kind of e-book you read, if you want send more knowledge just go with education and learning books but if you want sense happy read one using theme for entertaining for example comic or novel. The particular *Development and Social Change: A Global Perspective (Sociology for a New Century Series)* is kind of reserve which is giving the reader unpredictable experience.

Brenda Cornell:

A lot of people always spent all their free time to vacation as well as go to the outside with them household or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity that is look different you can read a book. It is really fun in your case. If you enjoy the book that you simply read you can spent 24 hours a day to reading a book. The book Development and Social Change: A Global Perspective (Sociology for a New Century Series) it doesn't matter what good to read. There are a lot of folks that recommended this book. These people were enjoying reading this book. If you did not have enough space to bring this book you can buy the e-book. You can m0ore very easily to read this book from your smart phone. The price is not too expensive but this book provides high quality.

Jose Johnson:

In this particular era which is the greater particular person or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple way to have that. What you should do is just spending your time not very much but quite enough to get a look at some books. On the list of books in the top record in your reading list is Development and Social Change: A Global Perspective (Sociology for a New Century Series). This book and that is qualified as The Hungry Slopes can get you closer in getting precious person. By looking right up and review this guide you can get many advantages.
