## Everything I Know By Paul Jarvis

Everything I Know is a no-rules guide through uncharted territory. It's a swift kick in the creative ass without fairies, unicorns or new-age clichés. Paul Jarvis is the strategic and design talent behind some of the world's most successful entrepreneurs and online businesses – including Danielle LaPorte, Marie Forleo, Yahoo, The High Line and Mercedes-Benz – and he's learned a thing or two about forging your own path in life and work. Instead of offering one-size-fits-all advice, Paul provides an infinitely flexible template for adventure. There is a better, more satisfying path out there, if you're willing to take risks and explore new territory. This book provides practical ideas and questions to help you conquer fear, overcome inertia, embrace vulnerability, validate your plans and launch even the most outlandish projects on a basement budget. How and where you go next is entirely up to you. “Paul Jarvis is a lively, talented & incredibly insightful writer.” —Maccabee Montandon, Fast Company “Paul Jarvis is the friend that every creative needs: friendly, whip-smart, & willing to give you a kick in the ass every now & then.” —Sean Blanda, Adobe/99u
