I Don't Trust Myself Loving You By Janelle Paige

What happens when two individuals meet for business and end up getting what they both need in life? The result is getting their soul mate.

Eloise Maples thought of life as one big event after another. She was a plus sized beauty who loved her curves and valued her mind. As head Event Coordinator for one of the largest hotel chains in the US, planning events was all she knew. She was perfectly happy living a fabulous single life. After all, in her line of work she meets so many spectacular people like politicians, entertainers, athletes, you name it. Always the cynical and sarcastic one of the bunch, Lou (as her friends call her) never gave falling in love a second thought. Let alone, a first thought.

Lovesick women truly disgusted her and she made a vow to herself to never be one of those women again. Who knew that by helping out one of her best friends would make her break that very vow.

Everyone knew Devin James was on his way to being the next big name in R&B music. Not only did he have a voice like silk but he had a face to stop any female in their tracks and a body to make any man jealous. Not one to let a friend down, Devin's best friend Trey needs him to do a huge favor for him at the very last minute. Always down to help out his boy in need, Devin steps up to the plate and with great success. Little did Devin know that Trey's needs were going to bring him what he always wanted.
