**Out of Bounds (The Boundaries Series)** By A.R. Barley

**When the weather outside starts cooling down, inside the dorm things are heating up. Can these college roommates fall in love without going out of bounds?** Beaten and heartbroken, Jesse Cole is placed in a new dorm room after his last roommate attacked him. Just wanting to be left alone to heal in peace, he's shocked when tall, dark and dangerous-looking Nick Moretti walks in. Nick doesn't have time to tiptoe around his new roommate—he's too busy working in order to pay for school. But something about Jesse brings out his protective instincts. As their cautious friendship grows and becomes loaded with sexual tension, he wants to make Jesse comfortable. Enter the perfect plan: a line of tape down the center of the room. Boundaries established. But as innocent movie nights become hours-long temptation marathons, and whispered chats from across the room delve into straight-up dirty territory, crossing the line has never been so satisfying.
