Editorial Review

About the Author

After many years of painting and selling her rock art, Lin Wellford was encouraged to write a North Light book describing her techniques. That first book, *The Art of Painting Animals on Rocks*, did so well that she ended up writing a whole line of books for North Light on various ways rocks can be used to create unique works of art.

Users Review

From reader reviews:

Andre Roop:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each publication has different aim as well as goal; it means that e-book has different type. Some people really feel enjoy to spend their the perfect time to read a book. They are really reading whatever they have because their hobby is actually reading a book. Consider the person who don't like looking at a book? Sometime, person feel need book if they found difficult problem or exercise. Well, probably you will want this RockArts: 21 Rock Painting Ideas for Kids.

Walter Cornwell:

Do you certainly one of people who can't read gratifying if the sentence chained in the straightway, hold on guys that aren't like that.
