Nowhere Fast! A Witty and Sexy Rock and Roll Romance!

Crazy fans want to harm the famous rock star! Can his inexperienced female bodyguard save him?

Marley Silver is not great at her job. She got hired on as a bodyguard by her brother's security company, out of pity, after a year on the job market with no bites. She's smart and has a sixth sense about people that her brother can never figure out, but trusts completely. She's a klutz, though, and he's never been able to find a space for her to really work on his team. Until the rock band, Nowhere Fast, calls him.

Nowhere Fast is an old friend's band. Marley remembers seeing their guitar player kicking rocks around their backyard when she was young. Now, he's getting panties thrown at him on stage and threatening love letters from a crazed fan. They don't want it to look like they've upped security, especially over some crazy fan who couldn't really hurt them. Finally, there's a job Marley can excel in. She's always been great at pretending to be happy with her boyfriends, so this won't be much different.

Working alongside an old friend could cause trouble for Marley when she sees the band's lead singer in person. Grayson "Crawl" Jones is a looker. He's also painfully quiet and off limits because of the job. Marley is supposed to be playing someone else's lover, but all she can think about is the sexy lead singer.

It can't end well.

Stuck on the road with four guys on a tour bus also wasn't on Marley's list of things that would be fun. Especially with a few security speed bumps along the way. She has to use her skills to take down a few rowdy fans and one jealous ex-boyfriend. Will she be able to show her brother that she can handle more jobs in the future? Or will she miss the biggest security risk of all and let Grayson sing his way right into her panties?
