### Editorial Review

#### Review

"The author succeeds in combining the human touch with rousing sea battles; both action scenes and characterizations are vivid." —*Library Journal*

#### About the Author

**Alexander Kent**, pen name of Douglas Edward Reeman, joined the British Navy at 16, serving on destroyers and small craft during World War II, and eventually rising to the rank of lieutenant. He has taught navigation to yachtsmen and has served as a script adviser for television and films. His books have been translated into nearly two dozen languages.

#### From [AudioFile](#)

This remarkable reading of one entry in Kent's seagoing Bolitho series is excellent. Michael Jayston reads a story full of action and painful romance--his pace is measured, and yet his British voice breathes intensity and conviction. Like C.S. Forester's Hornblower, Admiral Bolitho is loosely patterned after the real historical figure, Lord Nelson, down to an adulterous scandal and manner of death. This book concentrates on a nephew, Captain Adam Bolitho, and the listener cannot put it down. D.R.W. © AudioFile 2002, Portland, Maine-- *Copyright © AudioFile, Portland, Maine*

### Users Review

#### From reader reviews:

##### **William Deck:**

The ability that you get from Second to None (The Bolitho Novels) (Volume 24) could be the more deep you looking the information that hide into the words the more you get thinking about reading it.
